GOVERNMENT OF BOMBAY.

PUBLIC WORKS DEPARTMENT.

Resolution No. 9304/36.

Bombay Castle, 29th September 1948.

Read Government Endorsement No. 9304/36-E(I), dated the 15th April 1948.

Read letter No. 60, dated the 7th June 1948, from the Superintending Engineer on Special Duty [r. N. V. S. Murti, I.S.E.).

Read Government Circular Memorandum, Public Works Department, No. 9738/36, dated the 23rd ly 1948.

Read Government Circular Memorandum, Public Works Department, No. 9738/36, dated the 24th igust 1948.

RESOLUTION.—Government is pleased to issue the following detailed orders in partial modification of ose issued in Government Circular Memorandum, Public Works Department, No. 9738/36, dated e 23rd July 1948, in connection with the merger of the Deccan States :—

(*a*) A new temporary Division, to be called " Miraj Division ", in the Eastern Circle with its headquarters at Miraj (for the present), with 4 new Sub-Divisions, should be created for a period of one year in the first instance.

(*b*) The following 8 temporary Sub-Divisions (including the 4 Sub-Divisions for the Miraj Division) are also sanctioned for a period of one year in the first instance :—

Name of Sub-Division sanctioned.	Headquarters.	Name of Division to which the Sub-Division should be attached.
(i) Sangli Sub-Division	Sangli	Miraj Division.
(ii) Miraj Sub-Division	Miraj	Do.
iii) Jamkhandi Sub-Division	Jamkhandi	Do.
iv) Mudhol Sub-Division	Mudhol	Do.
(v) Ramdurg Sub-Division	Ramdurg	Belgaum Division.
(vi) Sawantwadi Sub-Division... ...	Sawantwadi	Do.
vii) Phaltan Roads and Buildings Sub-Division.	Phaltan	Nira Canals Division.
viii) Bhor Sub-Division	Bhor	Do.

(*c*) The existing Phaltan Sub-Division should be re-named " Phaltan Irrigation Sub-Division."

2. Sanction is also accorded to the entertainment of the necessary temporary staff for the Miraj Division and the 8 Sub-Divisions mentioned in paragraph 1 above as per accompanying Statement " A ".

3. The Athani Sub-Division and the Athani Section of the Kolhapur Sub-Division should be transferred from the Belgaum Division to the Miraj Division.

4. A Statement " B ", showing the detailed distribution of the works in the merged Deccan States rea among the local officers for departmental administration, is also attached. This statement supersedes he relative allocation made in Government Circular Memorandum, Public Works Department, No. 9378/36, ated the 23rd July 1948.

5. The Public Health Engineer to Government should be requested to submit to Government roposals for additional establishment, if any, required by him, for the effective departmental administration f the public health works in the merged Deccan States area.

6. Such of the State Engineers, who are graduates in Engineering and otherwise qualified, should be absorbed in the Bombay Service of Engineers (II) Cadre in consultation with the Public Service Commission. The Superintending Engineers concerned should be requested to submit to Government, in due course, proposals in this regard.

7. The appointment of the non-gazetted staff should be made, as and when necessary, by the Superintending Engineers of Circles or the Executive Engineers of Divisions, as the case may be, against the sanctioned posts. In selecting the staff for the new posts, persons who were already in the States' service and whose work has been found satisfactory should be absorbed and due regard should be given to the instructions of Government that are being issued separately in the matter.

8. Orders of Government regarding the pay and seniority of the staff of the merged States who will be absorbed in the Provincial Cadres will be issued separately. In the meantime, they should be allowed to draw pay as instructed in the communication No. F. 219-P/48, dated the 17th June 1948, from the Government of India, Ministry of States, copy endorsed to the Superintending Engineers of Circles, etc., under Government Endorsement, Public Works Department, No. 9748/36-E (R), dated the 30th July 1948.

9. Regarding allotment of funds, accounting procedure and framing of Budget Estimates for 1949-50 and revised estimates for 1948-49, orders issued in paragraphs 3 and 4 of Government Circular, Finance Department, No. P. 70-G, dated the 2nd August 1948, should be followed for the present.

By order of the Governor of Bombay,

A. G. MAYDEO,
Deputy Secretary to Government.

To

The Political and Services Department,
The Finance Department,
All other Departments of the Secretariat (except the Separate Department),
The Commissioners of Divisions,
The Electrical Commissioner with the Government of Bombay.
The Superintending Engineers of Circles,
The Electrical Engineer to Government,
The Architect to Government,
The Public Health Engineer to Government,
All Collectors,
All Chief Administrators of Merged States,
The Accountant General, Bombay (through the Finance Department),
All Executive Engineers of Divisions.

No. of 1948.

Copy forwarded for information and guidance to

Accompaniments to Government Resolution, Public Works Department, No. 9304/36, dated the 29th September 1948.

No.6-108. Executive Engineer's office.
Belgaum, 17th November 1948.

To

The Superintending Engineer,
Southern circle, Belgaum.

Subject:- Ramdurg Sub-Division:

Reference:- G.R.P.W.D.No.9304/36 dated 29-9-1948.

The following establishmnnt only is sanctioned for the Ramdurg Sub Division in the above

Deputy Engineer,	One.
Overseer	One.
Mechanical overseer,	One.
Sub-Overseer,	One.
Tracer,	One.
Maistries,	Two.
Clerk (Senior)	One.
Clerk (Junior)	Two.
Karkun	One.
Khalasis,	Three.
Chowkidar	One.
Peons,	Two.

The above establishment is insufficient.No provisio is made for the additional establishment required for the Divisional office. The following additional establishment is found to be quite necessary.

For Divisional Office.

One Personal Assistant to the Ex.Engineer.
One Additional Accountant.
Two clerks one in A.B. and one in C.B.
One peon.

There will be 7 Sub-Divisions including Sawantwadi (after the transfer of the Athani Construction SubDivision) As the Executive Engineer will have to give his personal attention to the Kolchi weir scheme and the building works it is necessary that he should be relieved of the routine office work and hence a personal assistant will be quite necessary. In fact when a division has six or more Sub-Divisions, a personal assistant will be very necessary to enable the Executive Engineer to devote some reasonable tim for the technical portion of his work.

Similarly the audit and account work has also increased. Besides the accounts of the Divisional Workshop has to be audited in the Divisional office. An additional Accountant is therefore found to be essential.

One clerk as an auditor is quite necessary for A.B. The work in the correspondence branch has also much increased and an additional clerk in the grade of 100-8-140 10-150 is quite necessary.

For the above additional establishment one more peon will be necessary in the Divisional office.

It is,therefore,requested that Government may please be moved to sanction the above additional establishment at a very early date.

Sd/- B.Krishnaiengar.
Executive Engineer, Belgaum

Below Executive Engineer, Belgaum Division's letter No.G-108 dated the 17th November 1948.

Subject:- Ramdurg Sub-Division: Additional Establishment in connection with - for the Divisional office, Belgaum.

No.-C-108/Merger. Public Works Department. Belgaum, 28th January 1949.

Copy forwarded, with compliments, to the Secretary to Government, Public Works Department, Bombay.

2. Prior to the opening of two new SubDivisio viz: the Ramdurg and Sawantwadi Sub-Divisions under the Belgaum Division as a result of the States merger policy of Government, vide G.R.(P.W.D) No.9304/36 dated the 29th September 1948, there were the - following six Sub-Divisions under the Belgaum Divisio viz: (1) Belgaum (B.&.R) Sub-Division (2) Belgaum (Irrigation) Sub-Division, (3) Belgaum (V.W.S) Sub-Division, (4) Belgaum Special Projects SubDivisio (5) Kolhapur Sub-Division and (6) Athani Construction Sub-Division. The following staff was sanctioned for the Divisional office then viz:

1	Head Clerk	... Rs. 140-10-190.
1	Senior Accounts clerk	... Rs. 100-8-140-10-150
5	Clerks	... Rs. 92-8-140.
10	Clerks	...Rs. 46-3-85-4-105
Total	17	

On the opening of the Belgaum Special Projects Sub-Division as per para 2 of G.R.(P.W.D)No.8974/36 dated 19-12-47, no clerical staff was sanctioned for the Divisional office, Belgaum and consequently the above staff only had to do the clerical work in the Divisional office in connection with the above - Sub-Division

3. As a result of the reorganisation on accoun of the States merger policy of Government, the Athani Construction Sub-Division of the Belgaum Division has since been transferred to the Miraj Division of the Eastern Circle and as such one clerk from the - Divisional office Belgaum mainly sanctioned for office work in connection with Athani Construction Sub-Division, had to be transferred to the Miraj Division. By this transfer the clerical strength in the - Divisional office Belgaum has been reduced from 17 to 16.

4. According to the orders issued in G.R.(P.W.D No.9304/36 dated the 29th September 1948 two new Sub-Divisions viz: the Sawantwadi and Ramdurg - Sub-Divisions have been opened and placed under the Executive Engineer, Belgaum Division. Consequently the work in the Divisional office which is already heavy has been considerably increased and has become unmanagable. The number of Sub-Divisions now in the

Belgaum

the Belgaum Division is seven and as such the additional establishment asked for by the Executive Engineer Belgaum Division, viz:

(1) Personal Assistant.

(2) Additional Accountan.

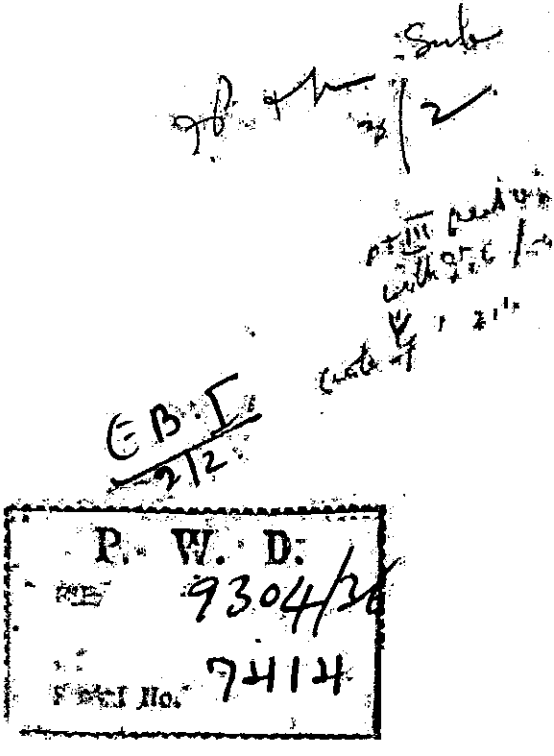
(3) Two clerks, one in the grade of 100-8-140-10-150 and the other in the last grade.

(4) One peon.

is absolutely necessary to cope up with the increased pressure of work. I would therefore request you kindly to move Government to sanction the additional Establishment as shown above.

Superintending Engineer, S.C.

28/1



P. W. D.
9304/26
7414

9304/36/7414.

E.B.(I).

In G.R.No.9304/36, dated the 29-9-1948, sanction has been accorded to the creation of two Sub-Divisional charges in the Belgaum Divn. On account of the increase in the work ~~xfxxkxxxDixxx~~ caused by this, the S.E.,S.C., states in his letter within, that the work of the Divn. has become unmanageable. He,therefore requests sanction for the following additional estabt. for the Belgaum Divn.:-

One personal Asstt. to the Ex.Engr.

One Accountant

Two clerks (one in the higher scale)

One peon.

2. Govt. has under consideration the question of revising the set-up of the existing Revenue Distts. The necy. draft proposals have already been published. They are likely to be finalised shortly. The set up of the P.W.D.Divns. will also have to be looked into with a view to bringing it in line with the Rev.set-up. ~~Dixxxxxxx~~ The local officers have separately been requested to offer their remarks in the matter. In accordance with the proposed Rev. set up, the Sawantwadi State area will go to the Ratnagiri Distt. and the main Ramdurg area to the Bijapur Distt. There are also several alterations in the existing boundaries of the Districts. If the P.W.D. set-up is to be brought into line with the Rev. set-up, it will involve the transfers of Sub-Divns. from one Divnl. charge to another. Until the final proposals are known it will be difficult to say whether the Sawantwadi and Ramdurg Sub-Divns. will remain with the Belgaum Divn. In the circumstances, perhaps the S.E.,S.C., may be asked to review the question after the finalisation of the revised set-up. Necy. draft will be put up on approval to the above.

Thro. E.B.(II).

23.2.49.

I agree with the office note, but feel that some temporary relief may be given by sanctioning two clerks post as soon as possible. If this is agreed to the F.D. may be consulted u.o. The question of sanctioning additional posts of the Personal Assistant Accountant and peon may be deferred until the finalisation of the revised set up.

Hf 24/2/49

I consider that if the expenditure justifies it, an additional Asstt + one clerk may be sanctioned. If an accountant is not available then two clerks may be sanctioned.

No.G-108/Merger. Office of the
Executive Engineer, Belgaum Dn.
Belgaum, 28th February 1949.

To.

The Superintending Engineer,
Southern Circle, Belgaum.

Subject:- Ramdurg and Sawantwadi Sub-Dns. Additional establishment in connection with - for the Belgaum Divisional Office, Belgaum.

Reference:- Ypur No.G-108/Merger dated 28.1.1949 addressed to the Secretary to Government, P.W.D., Bombay and copy endorsed to this Office.

In inviting attention to the above reference I have to request that if Government orders sanctioning additional staff to this Division are not yet received immediate action may kindly be taken for the reasons as explained below:-

2. In para 4 of your above reference, detailed reasons for the demand of the additional staff have already been given. In addition to the seven Sub-Divisions as stated in the letter, the additional work of the Divisional Workshop (both administrative and accounts) which has gradually and considerably developed in these years, necessitating its erection into a Sub-Division as communicated to Government in a separate reference, requires also consideration. The several state liabilities incurred before its merger which require now to be liquidated after regularising the procedure according to P.W.D. rules and regulations calls for additional strain on the already overworked staff. The establishment work (revision and fixation of pays, pension, audit of T.A. etc.) which requires immediate attention has likewise increased considerably with the addition of Sub-Divisions. Experience of the past 3 months has shown that much of the time which could otherwise be spent on inspection and important technical works is required to be spent in routine work which is attended to by the Personal Assistant in the other heavy Divisions of this Circle. Similar has been the case with my Divisional Accountant who is unable to handle the present enormous increase of work singlehanded.

3. From the large number of reminders received in this office daily sometimes calling for reasons for the delays, it will be evident that the work is gradually falling into arrears inspite of the earnest efforts of the responsible persons to clear the arrears even by working extra hours. Unless therefore some relief in the form of additional staff is given immediately, it is difficult to show an effective improvement in the present situation from point of efficiency and prompt disposal.

4. I, therefore, request that Government may please be moved to accord their sanction to the additional establishment at a very early date. If there is likely to be delay in the sanction of the full staff as already demanded, the appointment of

a Personal Assistant and the additional Divisional Accountant may please be made early for the reasons explained in para 2 above.

Sd/- B.Krishnaiengar,
Executive Engineer, Belgaum Dn.

****

VERY URGENT.
No.G-108/Merger.

Public Works Department,
Belgaum, [illegible] March 1949.

Copy forwarded, with compliments, to the Secretary to Government, Public Works Department, Bombay, with reference to this office letter No.G-108/Merger, dated the 28th January 1949.

2. In the circumstances explained by the Executive Engineer, it is requested that the additional staff asked for in this office No. referred to above may kindly be sanctioned at a very early date.

3. In case there is likely to be any delay in sanctioning the additional staff, sanction to the appointment of a Personal Assistant and an Additional Accountant may kindly be accorded at a very early date as the Executive Engineer and the Divisional Accountant are both finding it extremely difficult to pull on with the increasing work

VDK.

Superintending Engineer,S.C.

Copy with a copies of the Executive Engineer, Belgaum Division's Letter referred to above and this office endorsement No.G-108/Merger, dated the 28th January 1949 forwarded with compliments, to the Accountant General, Bombay, for information.

2. It is requested that an additional Divisional Accountant may please be posted to the Belgaum Dn. as soon as the post is sanctioned by Government.

Put up (D) 23/3

From : Political, Bombay

To : The Chief Administrator and Collector of Bijapur.

No.2755/48/10132-F. Bombay Castle, 21st May 1949.

Subject :- Formation of a third Division at Jamkhandi, of Bijapur District on merger of States.

Reference your letter No.A.C.M.39 dated the 23rd February 1949 on the above subject. In the circumstances stated, the action proposed to be taken by you is approved subject to the following remarks :-

(1) The details of the staff of the Prant Officer, Jamkhandi, are not given. Please furnish them and justify whether the furniture mentioned in the list accompanying the letter of the Additional Administrator, Jamkhandi, No.HDJ.No.230, dated the 13th February 1949 (copy sent by you) is really necessary for him.

(2) If the office accommodation is in excess of requirements, the excess may allotted to some other Government office in need of accommodation.

(3) The Prant Officer may be charged full rent as he is not entitled to free quarters plus the rent for furniture as indicated in Rule 351 of the Bombay Civil Services Rules, Volume I.

For Chief Secretary to the Government of Bombay,
Political and Services Department.

Copy forwarded with compliments to :-

The Revenue Department,
The Finance Department,
The Public Works Department,
The Superintendent Engineer, Southern Circle,
The Electrical Commissioner,
The Executive Engineer, Miraj Division,

for information.

Orders issued in accordance with Public Corrs. No.[illegible] may be seen in this Department and can be seen when required.

No 123 of 184

Municipal Office Laxmeshvar.

Date 18-11-48

From:-

The President Municipality,

and President Taluka Formation Committee,

Lakshmeshvar. Dist:- Dhafwar.

The Hon'ble Minister,

Public Works Department Govt. of Bombay.

B O M B A Y.

Subject:- Location of the Sub-Divisional Office at Lakshmeshvar

Sir,

Kundagol, Gudageri, Lakshmeshvar, Shirahatti Talukas and Savanur State have been merged in Dharwar District. The merged area is sufficiently big enough. An independant P.W.D Sub-Divisional Office shall have to be established in the merged area to cope eficiently with the additional work thrust upon the department as a result of merger

I have herewith sent to your honour for perusal a copy of the map of the merged area with slight alterations. Lakhmeshavar occupies the central position in the merged area. There are P.W.D. roads to allmost all the important towns in the merged area. A big Provincial Road known as ' Pala Badam' road runs through Lakshmeshvar. It is a big commercial centre with a population of 15000 person

Now. there are sub-divisions at Hubli and Gadag. The are far away form the important towns of the merged area . From those sub -divisions the work in the merged area connot be carried on with efficiency. Hence, it is quite necessary to establish a sub-divisions in the merged area. Since , Lakshmeshvar occupies a central place in the merged area , it should be made the head-quarters of the Sub-Division.

After merger the work in the merged area has not yet begun . In order to fecilitate the work , I request your honour to expedite the matter.

From all the points of view and form the point of convenience, efficiencey and speedy dispath of work , Lakshmeshvar is the only suitable place for the location

of the Sub-Dicisional Office. Hence, I request your honour to
to pass necessary orders in this connection at your earliest
convenience.

Lakshmeshvar
18-11-1948.

I beg to reamin,
Sir,
Yours faithfully
B D Patil
President Municipality
and President,
Taluka Formation Committee
Lakshmeshvar. Dist. Dharwar.

Copy to

1. The Superintending Engineer P.W.D. Belgaum.
2. The Exucutive Engineer. P.W.D. Dharwar.
3. The Engineer P.W.D. Sub Division Hubli.

For information and guidance.

Acknowledged.

No.G-108/Merged.

Office of the Ex. Engr.,D.Dn.,
Dharwar, 1st January 1949.

To

The Superintending Engineer,
Southern Circle, Belgaum.

Subject:- Construction of all weather roads in the states merged in the Provinc

Reference:- Your endorsement No.G-108/Merged. dated the 24th July 1948.

2. Your endorsement para 1 of the rererence :-

I have to enclose herewith a blue print copy of the Index plan of Dharwar District Showing the roads connecting all important places in the States intergrated with the District which are proposed to be made all weather ones. These roads are :-

(i) Part of Gadag Pala Road Passing through State limits
(ii) Magadi-Shirhatti-Belhatti Road.
(iii) Shiggaon-Savanur Surangi-Belhatti-Mundargi Road.
(iv) Kotagondshi (on the Poona Bangalore Road) Adargunchi-Sharewad-Kundgol-Sansi-Laxmeshwar Road
and
(v) Gudgeri-Laxmeshwar Road.

(i) Part of Gadag Pala Road Passing through state limits.

The Provincial Road from Gadag to Mulgund and beyond upto state limits is a metalled road partly bridged and drained. The whole of Gadag Pala Road has been classified as Major District Road in Post War Road Development Programme. As such it will have to be completely bridged and drained. A Statement giving information about the unbridged nallas etc. is enclosed herewith separately. It is suggested that bridges and drains should be constructed from one end i.e, either from Gadag side or Pala side preferably the former so as to be of immediate use to link up with the Gadag town and thi shall be the order of priority.

(ii) Magadi Shirhatti-Belhatti-Road.

This is a metalled road of the integrated State connecting outlying places to the Taluka town of Shirhatti and also connecting Shirhatti to Savanur-Mundargi Road and this will have to be classified as Major District Road. There are only small crossings to be bridged and as such these may be taken up for construction at a later stage.

(iii) Shiggaon-Savanur-Surangi-Belhatti-Mundar Road.

This will be an imprtant road already classif as Major District Road occuring at S.No.22 in the Post War Road Development Programme. From the Savanur Railway Station near Jallapur to Surangi then to Belhatti the road will have to be constructed anew. The other lengths on either si are already metalled and in these lengths there a many unbridged nallas. As the road is partly bui

and partly to be constructed afresh, these important cross drainage works over small and big nallas can wait for some time more and may therefore be included in the next five year programme.

iv) Kotgondshi-Adargunchi-Sharewad-Kundgol-Sansi-Laxmeshwar Road

There is already an existing metalled road partly bridged and partly drained from Kotgondshi to Sansi and are unmetalled and unbridged road beyond Sansi and upto Ramgeri on the Gudgeri-Laxmeshwar Road (which is fully bridged and drained). This road is also an imprtant one connecting more than one Taluka and having important places on its way and as such will have to be a Major District Road in Post War Road Planning. In order to develope at least part of the metalled and partly bridged Road upto Kundgol from Hubli side, the existing cross drainage works in this length may be strengthened and widened according to Post War standards and new ones (only three in No.) vide statement attached) built in the first five year programme. The construction of bridges and culverts over the remaining nallas may be postponed to the next five year programme.

(v) Gudgeri-Laxmeshwar Road.

This road as already stated above is metalled and fully drained and since Gudgeri is situated on the M and S Railway line with an important hinterland comprising of Laxmeshwar and other places beyond and round about, will have to be a Major District Road and as such it may be improved and cross drainage works strengthened according t Post War standards. Thismmay be taken up in the next five year pgoramme.

3. A survey estimate for all the above roads is submitted herewith. This is based on the previous survey estimates for corresponding roads already sanctioned in the defunct Project Circle and may please be got approved by Government.

4. Blue print copy of the proposed roads is enclosed herewith in duplicate for reference.

Dharwar. 10th Feb. 1949.

To

The Superintending Engineer,
S. C. Belgaum.

Subject:- Merged States in the Bombay Province. Taking over the works from the.

1. In accordance with the orders issued in G.C.M. W.D. No.9738/36, dated the 23rd July 1948, the work in the following integrated states in this Province have been taken over, by this Department and area a population there, are as shown against each :-

Name of Taluka	Area in sq. miles.	No. of villages.	Population
1	2	3	4
Gudgeri Taluka	82	15	16,890
Laxmeshwar "	64	17	,90,354
Shirhatti "	314	73	48,536
Savnur State	73	25	22,440
Kundgol Taluka.	98	20	25,954

P.W.D. 21-29

2. Two statements (a) & (b) showing the names of road and length from mile to mile and names of buildings respectively are attached hereto together with a map showing the integrated states. Particula in P.W.D. form No.133 in respect of buildings as required by your letter No.G-108/I of the 30th July 1948 will be submitted later on as the information is still awaited from the Sub-Divisional Officers Hubli and Haveri who have been expedited.

3. As will be seen from the lists, there are in the integrated states 142.25 miles of roads and 155 buildings in charge of this department. Almost all the roads are earth roads and are not fully bridged too. As these state areas have very fertile lands it is necessary to have well-developed road system in these states-co-ordinating with the Post War Road Plan of the Department. Government in their letter No.9682/36C(I) of 20th July 1948 have themselves made it clear that good roads are one of the pre-requsites for the economic and cultural development of tracts. It is also made clear there-in that the construction of good roads in the states areas is one of the most tangible ways of demonstrating to the inhabitants of the District the advantages that will accrue to them from the merger of states in this Province. In my letter No.G-108/merged, dated 1-1-1949 I have mentioned the present state of the important roads in the state areas to be reconstruct ed or improved and also attached there-to 2 lists of cross drainage works which require to be bridged. It will be seen there-from that, there is very heavy work ahead to be attended to, in these state-areas immediately. The buildings in the state areas too, are not in a satisfactory condition and as Governm- themselves....

themselves have realized, this Department will have now to pay more attention to the roads in these state areas than those in the Province to show to the state-people that they have been benefited by the merger. This object, can only be achieved only if these works are entrusted exclusively to a independent sub-dn., without allotting to it any work from the regular P.W.D. of this Dn. as other-wise, the works in the state area will be lingering on, or neglected on one pretext or other.

4. From G.R.P.W.D.No.9304/36 of 29-9-1948, it seen that for small states like Ramdurg, and Savantwadi Belgaum Division, 2 separate Sub-Divisions, have been sanctioned. It is also seen from G.R.P.W.D. No.9975/36, dated the 15th January 1949, that for the Surgana State merely for maintaining 59 and 3/4 miles of roads and 19 buildings, a senctional charge has been sanctioned by Government and according to the Executive Engineer, Nasik Division's Letter No.AB/8802, dated the 4th November 48 printed in the pre-amble to the G.R. a Sub-Dn. is necessary if the roads and buildings in the Surgana State are to be improved and brought to P.W.D. Standard. When for a length of 59 & 3/4 miles to be improved, a Sub-Division is considered necessary, it is needless to stress the need for an independent Sub-Dn. for the five state areas integrated with this Dn. consisting of 142.25 miles and 155 buildings which require heavy improvements and are not merely to be maintained as at Surganaa in-as-much-as the states in this Dn. have very fertile lands and some of the towns therein such as Laxmeshwar. Gudgeri, Shirhatti etc. are commercial centres.

5. A statement showing the staff required for the proposed new Sub-Dn., with the staff as existing in the state area and their absorption against the proposed posts is attached hereto. It is therefore requested that Government may in your concurrence, kindly be moved to sanction a separate new Sub-Dn for the integrated states mentioned in para 1 above ~~abo~~, with head quarters at Laxmeshwar or Shirhatti havin three sectional charges one at Kundgol the other at Shirhatti and the third one at Laxmeshwar with effect from 1st March 1949. Unless this is done, I am afraid, no tangible work will be turned out and this Department will have to face the criticism of the State people that they are no better in any respect by the merger.

Sd/- A.G.Naik,
Ex.Engr., Dharwar Dn

Below Executive Engineer, Dharwar Division's Letter No.G-108, dated the 10th February 1949, Regarding opening a new Sub-Division for P.W.D. works in the State areas merged in the Dharwar District.

No.G-108. Public Works Department,
Belgaum, 1st February 1949.

Copy with copies of accompaniments, forwarded with compliments, to the Secretary to Government Public Works Department, Bombay, with reference to endorsement below this office letter No.G-108, dated the 7th February 1949.

2. The P.W.D.Works in the state areas mentioned para 1 of the Executive Engineer's letter have been allotted to the Dharwar Division as per statement 'B' accompanying G.R.(P.W.D.) No.9304/36 dated the 29th September 1948. However, the P.W.D. works in the 7 villages of the Ramdurg State shown against S.No.(9)(a) of the statement 'B' referred to above, have not been taken over by the Executive Engineer for reasons reported in this office letter No.G-108, dated the 31st January 1949. Some of the roads and local buildings in the state areas now taken over by the Dharwar Division are likely to be allotted to the D.L.B.Dharwar and the Municipalities concerned as already suggested to Government in this office endorsement No.G-108, dated the 30th September 1948 orders on which are awaited. However, a substantial part of existing state roads, buildings, irrigation works etc. and other new works of roads as envisaged in G.L.(P.W.D.) No. 9682/36-C(I), dated the 20th July 1948 will have

to be managed by this Department. A copy of Executive Engineer's Letter No.G-108/Merged, dated the 1st January 1949 is enclosed herewith for perusal as it gives an idea of the present state of the important roads to be reconstructed and improved in the state areas taken over by the Dharwar Division.

3. For the roads and Buildings works in the Sawantwadi State areas taken over by the Belgaum Division one Temporary Sub-Division has been opened with Head-Quarters at Sawantwadi. For the Kolchi Weir Scheme in the Ramdurg State area, one temporary Sub-Division has also been opened in the Belgaum Division as per G.R.(P.W.D.) No.9304/36, dated the 29th September 1948. Opening of a Temporary Sub-Division for P.W.D.Works in the states areas taken over by the Dharwar P.W.D.Division, therefore, amply justifies in view of the works in these state areas.

4. The Undersigned, therefore, agrees with the Executive Engineer's proposal to open a new Sub-Division with Head-quarters at Laxmeshwar for proper and efficient management of P.W.D. works in the state areas. From the attached map (state areas shown in yellow) it will be seen that Laxmeshwar town is centrally situated and is therefore considered to be a suitable place for ~~the~~ the Head-quarters of the proposed new Sub-Division.

5. Undersigned would, therefore, request that Government be moved to accord sanction to the opening of a Sub-Division at Laxmeshwar as a temporary measure for the time being to look after the existing works in the state areas, for a period of one year from 1st April 1949, in the.....

the first instance. At the end of this year the position will be reviewed for Dharwar Division as a whole and a report submitted to Government.

6. Temporary additional staff as shown in the statement accompanying the Executive Engineer's letter may also kindly be sanctioned. Additional funds required on this account will be applied for in January 1950

7. Government endorsement No.S-92-65615-E(I), dated the 11th December 1948, together with its accompaniments, is returned herewith.

Accompts:-
1 Statement of roads.
2. " Buildings.
3 " Additional Staff.
4 Map.
5. Copy of E.E's Letter No. G-108/Merged of 1-1-49.
6. Govt. Endorsement and accompts as in para 6.

To

The Secretary to Government,
Public Works Department,
B O M B A Y.

No.G-108./1

Public Works Department,
C.V.Belgaum, 31st March 1949.

Subject :- Opening a new Sub-Division at Laxmeshwar for P.W.D.Works in the State areas merged in the Dharwar District.

Reference :- This office endorsement No.G-108, dated the 1st March 1949.

The Executive Engineer, Dharwar Division reports that the Sub-Divisional Officer, Hubli, who is in charge of P.W.D.Works in the State areas merged with the Dharwar District has been complaining of very heavy work so much so that the Executive Engineer is afraid that the Sub-Divisional Officer, Hubli may not be able to look after all the important Post War Works efficiently and no prompt disposal of correspondence can be expected of him until some relief is given to the Sub-Divisional Officer immediately by transferring the works in the state area to the proposed Laxmeshwar Sub-Division.

2. In view of the above, sanction to the opening of a new Sub-Division with head-quarters at Laxmeshwar as proposed in this office communication referred to above, may kindly be accorded at a very early date.

3. The Executive Engineer has made all preliminary arrangements to open a new Sub-Division at Laxmeshwar, as soon as as Government sanction is received.

4. Very early orders in the matter are therefore requested.

sdk.

No.G-108.

Office of the
Executive Engineer, Dharwar
Dharwar 31-3-1949.

To

The Superintending Engineer,
Southern Circle, Belgaum.

Subject:- Opening a new Sub-Division, for P.W.D. works in the State areas integrated in Dharwar Division.

Reference:- This Office Letter No.G-108, dated the 26th March 1949.

Government in their (R.D.) Resolution No.173/49 of 22-3-1949, have declared scarcity condition in some of the villages of Navalgund Taluka and Nargund Petha in addition to those already declared and the Collector of Dharwar has asked this Department in his letter No.F.A.M. 87 of 26-3-1949 (copy attached) to start atonce the work of metal collection at Annigeri as scarcity work which lies within the jurisdiction of Hubli Sub-Division making provision therefor shelters, mid-day rest, drinking arrangement latrines etc.

When the work in that Sub-Dn., is beyond the capacity of one Sub-Divisional Officer, to carry out efficiently it would be unfair to force on him this additional heavy burden of scarcity work. It has become, therefore, imparative to open a new Sub-Division as already proposed so that the Sub-Divisional Officer, Hubli, can be held responsible for the proper and efficient management of scarcity works as required by Government and the Collector.

Sd/- A. G. Naik,
Executive Engineer, Dharwar Dn.

Copy f.w.cs. to the Sub-Divisional Officer, Hubli, for information.

VERY URGENT.
No.G-108.

Public Works Department,
Belgaum, 6 th April 1949.

Copy with a copy of the accompaniment* forwarded with compliments, to the Secretary to Government, Public Works Department, Bombay, in continuation of this office Express Letter No.G-108/1, dated the 31st March 1949.

2. In the circumstances reported by the Executive Engineer, any further delay in the opening of the proposed new Sub-Division at Laxmeshwar will adversely affect the progress of works already undertaken and the scarcity works to be started in the Hubli Sub-Division.

3. It is, therefore, requested that Government may kindly be moved to accord sanction to the opening of a new Sub-Division at Laxmeshwar, as already

already proposed, with immediate effect, and the orders may kindly be communicated to this office telegraphically.

Typed below.

Superintending Engineer, S.C.

VDK.

Subject:- Scarcity Works.

Letter. No. E.A.M. 87.
Dharwar 26th March 1949.

To

The Executive Engineer,
Dharwar Division.

Reference:- Para 7 of G.R.R.D. No.173/49; dated the 22nd March 1949.

The metal collection centre at Annigeri may please be started very early and the date of starting may be communicated.

2. The work is to be executed in accordance with the provisions of the Famine Relief Code. The wages on this work should be paid in accordance with the scale sanctioned in G.R.R.D. No.1432/45 dated 26-10-1948. You are also requested to make provision for shelters, for mid-day rest drinking water, latrines and medical assistance by keeping a medicine chest on the works. The weekly rest days with allowances should also be granted.

3. The officer I/C of the work should be asked to submit the daily attendance cards to all the conderned officers and also the weekly return in form IV so as to reach this office on Monday without fail.

4. This may be treated as very urgent.

Sd/- X X X
for Collector of Dharwar.

P. W. D.
File No. 444/44 304/36
Serial No. 23882

9304/36
~~S.92/~~15507.

E.B.(I). P.W.D.

Submitted with refce. to the G.E.No.S.92/15507-E(II), dt. the 11-12-1948. P-17.

2.(a) The Presdent, Muncy. and President, Taluka Formation Committe, K Lakhmeshwar, requested in his letter No.123, dt. the 18-11-1948, that an independent P.W.D. sub-Dn., with head quarters at - - Lakshmeshwar, may be created in the Dharwar Dn. to cope with the addnl. work on account of the following merged State areas:-

(i) Kundgol Taluka
(ii) Lakshmeshwar Taluka
(iii) Shirhatti Taluka
(iv) Gudgeri Taluka
(v) Savanur State.

Pl. see Maps on P-31 and P-35

2.(b) The E.E., Dharwar Dn., has supported the request for the following reasons:-

(a) The combined area of the above States is 626 sq. miles.

(b) There are 142+25 miles of roads and 155 bldgs., most of which will have to be retained by the Public Works Deptt.

(c) Almost all roads are earthen roads and the condition of the bldgs. unsatisfactory, so that considerable improvements are to be effected thereto.

(d) More attention has to be paid now for developing the State areas to show to the State people that they have been benefitted by the merger.

(e) The improvements to these areas can be effected satsifactorily only if the works are entrusted to an independent Sub-Divn. without alloting to it any work from the regular P.W.D. as otherwise the State areas

are likely to be neglected now one pretext or another.

3. The E.E. has also submitted a statement P-33 showing the establishment required for the proposed Sub-Dn.

4. The S.E., S.C., PP 37-39 states that a substantial part ~~of~~ of the existing roads and buildings, irrigation works, etc., and other new works and roads will have to be mangaged by Govt. He states that the proposal is amply justified in view of the works in these State areas. He also considers that Lakshmeshwar is suitable as the H.Q. of the proposed new Sub-Dn. That officer, therefore, requests sanction to the opening of the Sub-Dn. as a tempy. measure and to the entertainment of the necy. staff, for the time being, for 1 year from the 1st April 1949 (upto the 28.2.1950).

5. If the proposals are approved, it will be necessary to create one Sub-division with the normal establishment as shown in the margin, the average annual recurring cost of which will be Rs.36,000/-. These papers may then be referred u.c, to the P.& S.D., and the F.D., for concurrence.

---

6. The cost of the estabt. is debitable to the head "50 - C.W. - (Drdy.)". As the cost involved exceeds Rs. 5,000 per annum and of recurring nature, L.A's approval will have to be anticipated, if it is decided to sanction the estabt. during the current year. The F.D. may be requested to agree to this. The necy. supply demand will be forwarded to the F.D. in due course. Seq. (1) Seq. R+B)

11-4-49

Two further communications on the same subject, received from the S.E. & S.C.

D.S 11-4-49

have been arranged within, as under.

(i) Fr No 23848 i.e S.E. S.C's letter No C-108/1 dated the 31/3/49 at p. 41 ante

(ii) Fr No 23882 i.e S.E. S.C's endt No C-108 dated the 6/4/49 at pp. 43-44 ante

The S.E. S.C. has explained the necessity of the proposed new Subdn at Laxmeshwar in his letter No C-108/1 dated 31/3/49, in order to give relief to the S.D.O Hubli who has been saddled with very heavy work on account of the inclusion of the former State areas in Hubli Subdn The position seems to have further aggravated on account of the starting of 'Sericig' works in Hubli, Subdn, as explained by the Supdg Engr Dharwar Dn in his letter No. C-108 dated the 31/3/49 at p-43

Opening of the new Subdn at Laxmeshwar immediately is therefore inevitable and hence the S.E/S.C's proposal may be accepted after U.O.R. to the F.D. It is seen from the map at p. 31 ante that the Savnur State area (No 5) is not contiguous

P.T.O.

~~48~~ 10V

to the main area of the proposed new Subdivision at Laxmeshwar. It is therefore desirable to include the area, between Sannur state boundary and Laxmeshwar also, in the new Subdivision The S.E/S.C. may therefore be requested (while communicating the sanction to the new fields) to consider the aspect and submit proposals for the redistribution of the existing jurisdictions of the Subdivisions, concerned for the approval of Govt.

Incidentally, it may be mentioned that there would be in all 9 Subdivisions (with the addition of Laxmeshwar fields) in Dharwar Division. The Division has thus become very unwieldy. The position however may ease if and when the proposed Dharwar Irrigation Dn is opened for intensifying the programme of repairs to M I works, because the irrigation Subdivisions at Haveri, Hangal etc at present within Dharwar Dn, ~~in future~~ would then be transferred to the new Irrigation Dn.

FINANCE DEPARTMENT

Date 18
Serial No.

14/4/49

16.4.49 Secy (I)

Secy (R+B)

Immediate

M.O.R. to the F.D. dated the 18-4-49. W.O. & F.D.

47 - 1947

Finance Department (B)

The proposal under consideration in these pps. is to create an independent P.W.D. Sub. Divn. (with headquarters at Laxmeshwar) to cope with the addl. work on account of the merged state areas, specified in 2(a) of the P.W.D. note, to which attention is solicited. Attention is also invited to Dy. Secy. (P.W.D.)'s note dated 14-4-1949 concurred in by Secy. (I) and Secy.(R.& B.). In view of the circumstances explained in the above references it appears that there is justification for creating a new Sub Division in Dharwar Division. The P.W.D. proposal may be agreed to, subject to the following remarks.

V P. 45-46 ante

J P. 46-48 ante

2. The P.W.D. has not specified the pay scales to be sanctioned for the normal estabt. (sanctioned for a Sub Divn.) proposed for the new Sub Divn. in question - vide margin against para 5 of the P.W.D. note, referred to above. It is, however, presumed that the posts will be given pay scales, sanctioned for similar staff in that Deptt.

It should be specified however, that the new posts should be filled in only as and when it becomes necessary to do so.
Mr V.S.
23/4.

3. The posts in question may be sanctioned for the period ~~evolving~~ ending 28-2-1950, the position being reviewed in good time before expiry of the sanctioned period.

4. The annual average cost to Govt. on account of the opening of the new Division, works out to Rs.36,000 recurring. ~~He~~ Normally such proposals are required to be put up as new items for the budget. If however the proposal is to be sanctioned during the current year & supp. it will have to be brought to the notice of L.A. by a supplementary demand and will also require the prior approval of E.P.C.

Bombay.

No.G-108/2

Public Works Department,
Belgaum, 21st April 1949.

Subject:- Opening of a new Sub-Division at Laxmeshwar for P.W.D, works in the State areas merged in the Dharwar District.

Reference:- Correspondence ending with this Office endorsement No.G-108, dated the 6th April 1949.

The favour of very early orders of Government in the matter is requested as the Sub-Divisional Officer, Hubli Sub-Division is finding it very difficult to cope with the heavy work and it is absolutely necessary in the interest of works to open a new Sub-Division at Laxmeshwar without any further delay.

Superintending Engineer,S.C.

No.G-108.

Public Works Department,
Belgaum, 10th May 1949.

Subject :- Opening of a new Sub-Division at Laxmeshwar for P.W.D.Works in the State areas merged in the Dharwar District.

Reference :- This office endorsement No.G-108, dated the 1st March 1949 and subsequent letters No.G-108/1, dated the 31st March 1949, endorsement No.G-108, dated the 6th April 1949 and letter No.G-108/2 dated the 21st April 1949.

The favour of very early orders of Government in the matter are requested since the delay in opening the proposed new Sub-Division at Laxmeshwar will adversely affect the works in the Hubli Sub-Division.

Superintending Engineer,S.C.

E.B.(I). P.W.D.

Submitted together with S.No.32318. (P-52)

2. In accordance with G.R.No.9304/36, dated the 29-9-1948, the following State areas were allocated to the Dharwar Dn. for departmental administration:-

Gudgeri Taluka of Miraj (Jr.).

~~Laxmeshwar~~ Lakshmeshwar Taluka of Miraj (Sr.).

Shirhatti Taluka of Sangli State.

~~Saraam~~ Savanur State.

Kundgol Taluka of Jamkhandi State.

They have accordingly been distributed between the Hubli and Haveri Sub-Dns. of the Dharwar Dn.

3. The President, Municipality and President, Taluka Formation Committee, Lakshmeshwar, requested (P-3) that the above areas may be formed into a separate P. W. D. Sub-Dn. in the Dharwar Dn., with head-quarters at Lakshmeswar. The Ex.Engr., Dharwar Dn., (Page 3; 36 and 43) supporting the request, pointed out that the work in the Hubli Sub-Dn. is beyond the capacity of one S.D.O. and that it is imperative that the new Sub-Dn. should be opened as proposed. That officer further stated that the combined area of the above States and the work involved therein are equal to those of a normal P.W.D. Sub-Dn. and that the work in those areas is likely to suffer if the proposed new Sub-Dn. is not created. The S.E.,S.C., supported the proposal

4. It is accordingly proposed to create a new Sub-Dnl.charge, with head quarters at Laxmeshwar, in the Dharwar Dn., for the departmental admn. of the State areas mentioned in para.1 above. The (P-49) F.D. and the Expenditure Priority Committee (P-51) have

agreed ....

P. 1/7.

in para. 2 of its note

agreed to the proposal. The presumption made by the F.O. is correct.

5. The necy. draft G.R. is put up for approval. These papers may be submitted to the Chief Secy. (in the P. & S.D.) also. The H.P. need not perhaps be troubled.

8.1

Below extract from Commissioner, Central Division's letter dated the 26th June 1949.

> There is thus no option at present but to locate the headquarters of the taluka at Shirhatti. However, that need not mean concentration of all the offices at Shirhatti. The Public Works Department has decided to locate their Sub-divisional officer at Laxmeshwar and the Taluka Assistant / Agricultural Officer is already working there. Shirhatti is at present without a Veterinary dispensary. The Taluka Veterinary dispensary may therefore continue at Laxmeshwar. Also the offices of the Co-operative and other departments when they start their activities in this area may be located at Laxmeshwar, so that the place can have some official importance. Such an assurance may be extended by Government to Laxmeshwar people. "

CONFIDENTIAL.
VERY URGENT.

No.2755/46-F.
Political and Services Department.
Bombay Castle, July 1949.
14 JUL 1949

Forwarded to :-

The Public Works Department,
The Revenue Department,
The Agriculture and Rural Development Department,
The Health and Local Government Department,
The Education and Industries Department,

for necessary action in so far as they are respectively concerned.

2. Government has decided to locate the Headquarters of the proposed Shirhatti Taluka in Dharwar District at Shirhatti. So far as Laxmeshwar is concerned it has been decided that Commissioner, Central Division's recommendations in the accompaniment hereto should be accepted. The new Shirhatti Taluka will be notified by this Department along with the general notification about recommendation of district . The Public Works Department Revenue Department the Health and Local Government Department and Agriculture and Rural Development Department the Health and Local Government Department and the Education and Industries Department are requested to take action in respect of the recommendations of the Commissioner, Central Division regarding setting up of other offices at Laxmeshwar.

By order of the Governor of Bombay,
